

# PARADISE CREEK NEWSLETTER

April 2025

## The News

### Senior Prom

**April 11, 2025; 3-5pm**

We will be throwing another Senior Prom this year and hope to see many of you there! This year's theme is "Blast From the Past." We will be decorating the dining room in a 50s/60s theme. With that, we'd love to add photos of residents from that time period! This can include your class photo, sports, prom, etc. We want it! Please bring your photo to Tammie, Caressa, or Jasmyn no later than April 9th so we can make copies. Expect fun, dancing, snacks and drinks!

### A Message From Activities

We want to provide, promote, and supply the activities you want to see! Tell us your ideas! Nothing is off limits. Seminars, mini-golf, book clubs, gardening lessons, etc. Let us know what you want to do and we can try to implement activities that fit your interests. Are there any activities that you think aren't working or that could use adjustments? Let us know. We're here for you!

## Events/Holidays

**April 1:** April Fools Day

**April 11:** Senior Prom

**April 15:** Easter Egg Hunt with Staff & Residents

**April 17:** Hunt the Bunny

**April 20:** Easter Sunday

**May 01:** Paradise Creek Anniversary Birthday Party

## Employee of the Month

### Tammie Poe

Congratulations to Tammie for being our Employee of the Month! She is the ROCK STAR of this facility and none of us would be here if it weren't for her. Tammie works incredibly hard, day in and day out for each and every resident. She is an uplifting, trustworthy, dependable person. We are so lucky to have her here with us!

# From the Library Committee

## Library Lowdown

What's happening in the library? You may have noticed the boxes and stacks of books in the corner. The resident library committee has been going through the shelves to remove damaged books along with duplicate copies of titles. This has freed up some space on our shelves. Reorganization has allowed us to make better use of the space available. You will soon notice new shelf labeling and a map to help direct where to find your favorite reading material. In addition, there will be a binder placed on the table that can be used to assist one in finding a title, favorite author, or genre. With almost 4,000 books on the shelves, we are hoping this will be a helpful resource. A new feature in the library will be a whiteboard that will share news of recent arrivals, recommendations of outstanding books that one might enjoy, or possibly a note or question for the library committee.

If you have any questions about the library committee, please contact Bettie Hoff @ 208-798-9430
